PG COMMUNICATIONS SDN BHD GRANTED ASP CLASS LICENSE

Inno-Pacific Holdings Ltd (the "Company") is pleased to announce that its indirect, wholly-owned, Malaysia incorporated subsidiary, PG Communications Sdn Bhd ("PG Comms SB") has been granted and issued an Applications Service Provider Class License under Malaysia's Communications and Multimedia Act 1998, by the Malaysian Communications and Multimedia Commission.

This license allows PG Comms SB to provide voice services in Malaysia legitimately. PG Comms SB will be offering pre-paid and post-paid, discounted IDD and STD services to Malaysian customers. PG Comms SB will also be offering virtual partitioning and international terminations services to wholesale clients.

PG Comms SB is in the process of installing its equipment and establishment a Point-of-Presence (POP) in Kuala Lumpur, Malaysia and expects to commence its operations in January 2006.
